adventurous.  
I'm comfortable  
doing just about any-  
thing with my guy and  
for him. Passion grows  
every time we fuck,  
and we love to fuck  
a lot. Another great  
perk of this is that we  
spend a lot of time  
together and make  
good money doing it.

Zippers come down,

# MAKE SWEET MUSIC

Okay, I can't really play the piano, but I can look good posing naked on one. I tried taking piano lessons a long time ago, but never really stuck with it. Today, I see a piano on occasion when we are at a location doing a photo shoot. And yes, I usually end up naked on top of it. Once in a while, I may even fuck on it. Now that's really fun!

There's very little I won't do sexually. I was always a "hottie" as the guys would say, and I liked living up to that reputation. Not a hottie like extremely pretty, but a hottie in the sack. I love doing fun and often nasty things. I know you want to watch me fuck, so I'll take on two for you.

# THIS MORNING'S DICK-TATION

*Britt was the receptionist for this busy and rich businessman, but she was well paid so she came in and diligently did her job every day.*

Britt sat at her desk applying the last of her makeup before the start of her workday. She had worked for this company for more than ten years and had outlasted many a new CEO. But this one was a little different. He was young, aggressive, indifferent, unmarried and kinda sexy at the same time.

Mr. Bradlee. Bruce Bradlee was his name and he was just in his third week on the job. She found that he was leaning on her for information about the company and it's employees. But Britt was not very willing to offer more than he asked. At thirty years of age, Britt was the receptionist for this busy and rich businessman, but she was well paid so she came in and diligently did her job every day.

His workday started early. Probably about 7 am, she figured. He expects her and three other officers to be in his office promptly at nine for their Monday morning meeting. Right at nine, the three department heads gather outside his office door and Britt lets them in, following them with her daily journal in hand to take the meeting's notes.

Britt and the others took their seats around the small conference table in the corner of the room. She distributed the day's papers and stretched her long elegant legs out from under the table. She was of German heritage from Minneapolis, but stayed in Chicago after college. She had an amazing figure with long legs, small waist and a firm pair of D breasts. She was smart and did her job well, but felt she

was sometimes too quiet when she should be speaking up.

Bradlee walked over to the empty seat next to Britt. He was about 45 she thought. His black hair had already begun to grey around the temples. His broad shoulders and muscular arms had begun to soften from years behind the desk. Bradlee glanced around the table and listened as each department head reported. Attentive and sharp, he would occasionally add comments to the notes Britt was taking. After an hour the meeting concluded and the three left leaving Britt and Bradlee sitting at the table. He asked for his daily

appointments and she answered with an 10:30 appointment with the board and then lunch with the wife at noon. 3 pm was a meeting with HR and at 3:30 was the engineering group.

After finishing recounting his appointments, Britt began to gather her papers. He stood up and turned towards her. She gazed up at him with wide, puzzled eyes and gasped slightly as she felt a hand unbuttoning the top of her blouse. She froze at this action as, having the top button undone, he then slid his hands down towards her cleavage and the large, plump breasts pressed tightly against a thin white bra. She tried to say something but her words failed her. Thousands of thoughts and feelings were unexpectedly running through her head.

Britt had grown up being taught that the men you respected – and she could not help but respect this man – you did not question. However, she knew this was wrong but felt any resistance fade when he bent forward, encircling her with his arms and pausing to take in a deep breath from her neck. She had no commitments, having been divorced three years ago, but he had a wife. How could he be doing this? Why would he do this? She closed her eyes, dizzy with unknown feelings.

He stood her up, pulled her to him and she heard the unzipping at the back of her skirt. As he leaned in, she felt the hard rise of his cock against the side of her thigh and gave a tiny cry of surprise. He pulled away, walking over to lock the door and when he returned to

her, he found that her skirt had fallen around her ankles and she hadn't bent down to pick it up.

Bradlee stared at her fine and full body. She wore matching panties to her bra that were so thin he could see the shadow of pubic hair around her pussy. His mouth opened slightly and he gave an incoherent moan of lust. Stepping forward, he took her tiny waist in his large, commanding grip. Bradlee unhooked her bra and released her large breasts from their confinement. His fingers ran expertly between and around them. By the time he reached her nipples, they had risen into hard, rosy points that tingled and throbbed. Rolling the left nipple with one hand, his breath blowing hard in her face, he took her right nipple between to fingers and increased the pressure until he was pinching it hard. Biting down on her lip, Britt recovered from the pain to discover a mind numbing pleasure she'd never known.

Bradlee backed off as he unzipped his suit pants and dropped them to the floor. His cock was already hard and pulsing with expectation as a small bead of moisture already crowned its head. She offered no resistance when he took her wrist and moved her hand to his cock, gripping it to tighten around its length. He reached for her panties and tugged them off, slipping his fingers between the warm, damp lips of her pussy. He could smell her now – that creamy, musky scent of a woman aroused.

Once he found her clitoris, teasing it cruelly at first, then doing all he could to drive her insane, she let out a cry and her chin fell slightly so it rested on his shoulder. After a few short moments, her entire body shuddered with orgasm and she fell against him, but he wasn't finished yet. As his first finger reached up inside her dripping pussy, she struggled against him, but

a powerful arm was already around her shoulders, clinging her to him. Although she tried to resist, her hips were already bucking involuntarily against his hand. Once he slipped in the second finger, still teasing her clit with his thumb, she let out a soft moan and her cum dripped down his hand. Still thrusting with his hand, he pushed another finger into her.

Bradlee was in control and had three fingers inside her now. She spoke between erotic gasps. "I want you to fuck me. Your finger in my asshole and your cock in my wet little pussy." Removing his shirt and tie, he motioned to Britt how he wanted her to go down onto the floor on all fours. He roughly parted her firm thighs and glanced briefly at her tight ass before grabbing her by the waist and pulling her onto his cock. He felt her insides pulsating tightly against his dick, one finger pushed up into her ass. She cried out but Bradlee kept on thrusting his huge hardness inside her. Leaning forwards, lying across her back, he grabbed her breasts hard in his hands, using them to pull himself in and out of her.

Her cries quickly evaporated into moans of pleasure, and she was shocked at how much she enjoyed the feeling not only in her pussy, but of his finger in her ass. She began to buck back against him, her breasts rolling with the motion, her whole body glistening with sweat. She found herself pushing her hips higher to feel his finger deeper in her butt hole. This in-

itation got her another finger in her butt and harder deeper thrusts into her. Bradlee rolls over and lands on his back near his desk. Britt finds herself rolling on top of him as he slides his cock inside her again. He stares up at her perfectly sculptured body, her huge breasts swaying from side to side while she plunges herself up and down on top of him.

He reaches out one arm and opens the bottom drawer of his desk. After a momentary fumble, he pulls out a black dildo and in one swift motion Bradlee reaches around behind her, and as he pulled her down onto his cock, he shoved the dildo into her ass with a single thrust. She moans and winces, but settles her ass into it as she feels her sphincter relax and accept the pleasure it brings. Britt realizes that both her holes are now filled and she is being sexed up on the floor in her boss' office – by her boss. Bradlee deftly pumps his cock and the

dildo into her as she rides the rhythm, moaning and groaning in delight. He fucks her harder, partially pulling out the dildo and shoving it back in.

Britt sits up on him and pulls his hand and the dildo away from her ass. Raising herself a little she reaches between her legs and pulls his cock out and then positions it back a bit and lowers her ass on top of it. He moans with ex-

comes back to clean his cock with it. Traces of her were still on him, but she wanted a fresh cock to suck, and with that throws the cloth on the floor and devours his cock with her mouth. She opens his legs and reaches for his balls. Rolling them in her fingers, she finds them huge but cannot resist taking one and then the other in her mouth. Britt is on her knees in front of his rod and balls and is stroking him while sucking

Bending down, Britt noses into his butt crack with her tongue. She finds his pucker and licks it wet, probing the hole momentarily with her tongue. Backing off, she places the tip of the dildo at his butt hole and somewhat defiantly pushes it in – halfway at first – as he pushes his hips forward to retreat from it, but he can't. He lets out a muffled scream as she pushes it further in. Pushing it in and out like a

citement as her warm soft butthole tightens around his shaft. She begins to move herself up and down on it, playing with her breasts and moaning. He replaces her hands with his on her heaving bosom and pinches her nipples hard. Britt cums with her first anal orgasm since college. Collapsing on top of him, she feels his cock still throbbing inside her anus. Britt gathers herself up and stands up in front of him. Bradlee gets up, but she gently pushes him back against the conference table.

He falls back onto it, feet on the floor and cock pointing up to the sky. She tells him to wait there and goes to the bathroom to get a washcloth and

his balls. She moves her mouth back to his cock and licks the shaft. Her hands squeeze it hard and she is sensing he may be ready to cum. But she decides she is not through with him. She stands up and orders him to roll over on his chest on the table. While doing so, she finds the dildo on the floor and wipes it clean.

plastic piston, she reaches under him and grabs his cock. She squeezes it and begins timing her strokes between the dildo and his cock. She withstands his bucking to make his climax monumental. Bradlee straightens up with the dildo still in his ass as Britt furiously strokes his cock until he spurts his man juice all over the table.

Britt playfully throws the washcloth at him and tells him to clean up his own mess. He wipes the table and looks up at Britt. "What time is my next meeting?" She responds that it's in ten minutes with the board.

# Marie makes three

it was my  
wife's idea.  
really!

proper, in a lawyer sort of way, but she was also rather attractive with a nicely shaped butt beneath her tight skirt. It turns out she was staying at the same hotel as us and invited us to have a drink back there to catch up and kill off the rest of the evening. After a few drinks and a couple hours, the conversation started getting a bit more risqué and Karole broke down and asked Marie if she was gay. Marie admitted she considered herself more 'experimental' than gay back in college, but has been married to a guy for a couple years. She also admitted she enjoyed those days and the touch and feel of a woman's body. In my state of tipsy, I admitted that Karole was curious and she kicked me under the table, but did admit she had thought about it.

Another hour goes by and we get a little friendlier and the discussion turns to lesbianism and I'm excluded from the conversation as the two ladies discuss it deeper. Suddenly Marie looks at her watch and says it's midnight and we all joke that she'll turn into a pumpkin. She laughs and says that if she and Karole are going to do it, they should get going. A

My wife, Karole, and I headed to the wedding in St. Louis and landed in a hotel two nights before the wedding. My sister, Judie, got married last month to a great guy she met at college four years ago, so it was about time. I'm a few years older than my sister, but my wife is a few years younger than her. I like my women younger and with a nice ass. On the drive from Columbus we talked about our wedding and especially the honeymoon we took in Hawaii. For the week we were there, it was the best time we ever had. While marriage has been fun, it just doesn't have the excitement that it once did. Even so, we love each other and hope my sister and her husband will do the same as the years roll by.

Rehearsal dinner the next night went well and the couple was beaming throughout the night. In the bride's party was Marie, a girl my wife knew in college. Marie was a year older but they were in the same studies program. At one time, Karole thought she was gay but Marie graduated and life moved on. As the dinner wound down, Marie came over to our table to say hello to Karole and introduce herself to me. She was very

silence hits our table and Karole looks at me. "You can watch." she offers timidly, looking for approval. I look at Marie and she mouths "Oh, come on."

We get in the elevator, go to her door and into her room. It smells nice, like her, and her suitcase is still on the bed. She moves it off and excuses herself to freshen up. Minutes later she comes out of the bathroom and my wife goes in. Marie has come out in a bath towel and jokes saying, "I didn't think I'd need lingerie." We laugh and she comes over to my chair and says it will all be fine. Just a special time tonight that we'll have as our secret. She also said I could join them as long as I just did my wife. I said that I'd play it by ear.

Karole steps out of the bathroom naked and her hot body is silhouetted by the light. She joins Marie

who's sitting at the edge of the bed. "You took the only bath towel." she says laughing and breaking the awkwardness. Karole comes over to me and plants a big kiss on my lips and whispers she loves me. "I love you too." I say and she goes back to Marie and stands in front of her. She reaches to Marie's chest and undoes the towel, throwing it on the bed. Marie reaches up to caress my wife's breasts and then they kiss. Lightly at first, then tongues, then it gets even more passionate. Marie steals a glance at me but I'm stoic watching them begin their odyssey.

Karole pushes Marie down on the bed and their pussies flash as they fall. I watch my wife slide herself down Marie's body and open her legs. Marie obliges and Karole buries her head in Marie's pussy. I cannot see what my wife is doing, but her ass is in the air and I see Marie's hand emerge between her legs and begin to rub Karole's pink pussy. I see a couple fingers go in and move around as Karole's hips react to her touch.

Marie then gently pulls Karole up to her by the hair and rolls her over. Now it's Marie's shaved pussy and ass up in front of me getting attention and my hand slips into my pants, releasing some of the tension that's building up. I undo my zipper quietly and pull out my cock. Lit only by the bedstand lamps, the warm glow on the two nude writhing bodies in front of me makes it look like a poorly lit porn movie, and that adds to my excitement. Marie swivels her body and the two are now sixty-nining. Black hair hides the action from me, so I close my eyes and listen to the slurping and moaning. I stroke myself and it's surreal, but I gotta see what they're doing and get closer.

I move over to a corner of the bed, only a few feet from them sexing and now they are in profile view. They sense me there and shift into a scissors position rubbing pussies and rubbing each other's clits. I physically feel Marie's orgasm, her shuddering body shaking the bed. I stay in position watching the two squirm and twitch as now another orgasm courses through Karole's body.

But there's more, one second Marie's on her back

*I pull Karole's head off my  
cock and tell her to get back

off. She whispers back only

eyes meet and I see her tongue disappear between my wife's butt cheeks. She watches me as she keeps licking and slurping back there.

I sense Karole hesitate in her blow job every time Marie hits a sweet spot. I feel my wife beginning to get off, but we need to be sure that Marie gets off too. I pull Karole's head off my cock and tell her to get back to Marie and finish her off. She whispers back only if I fuck her from behind. I stand up and drop my pants and position myself behind Karole, who's now switched with Marie, who's on her back and my wife's again on her knees with her ass in the air and her face buried in Marie's pussy.

I get behind Karole and put my cock into her. She squeals in pleasure and Marie's eyes meet mine again, encouraging me to fuck her harder. Marie's hips begin to buckle as she ap-

proaches her orgasm. Karole steps it up, and I shove it in harder. Suddenly we are all cumming together. What a rush. What a spectacle. We all collapse on the bed with huge smiles on our faces. This will be one for the conversation on the drive home, and many nights thereafter.

The next day, the wedding goes on as scheduled and it was a beautiful ceremony. The reception was held at a banquet hall down the street. There were over two hundred guests and we were probably introduced to them all. The bride looked beautiful and the groom was delighted. The proud parents were buzzing around like happy bees. The food was sublime and the band was mediocre, but none of it mattered because my thoughts were still on the night before. My wife and I decided to leave early – and Marie did too!

Then my wife reaches over to my cock with her free hand and begins to rub me. Marie watches and begins to rub Karole's pussy harder. Karole and Marie release their hip tango and Karole gets on her knees and starts to suck me. Marie gets on her knees behind her and begins to lick my wife's backside. Our

**don't take your love to town.

A year ago I was making port wine outside of Porto in Portugal. Today, I'm almost a super model in Miami Beach. That's quite a change for me. I was tanning topless on the beach when this guy came up to me with his friend filming everything. He asked me if I would like to come to party at the Savoy Hotel. Well, I decided to go and now I'm making adult movies, and drinking port.
